

April 10, 2017

Greetings GSL Attendees:

We have assembled the following list of competitive, well-maintained motels that are within relatively easy walking distance of the Salt Lake City Centre Sheraton Hotel.

We are informed that the room night costs at the motels list below are somewhat close to the negotiated room rates for the Sheraton, though we can't make assurances about this nor is GSL responsible for any costs or liabilities arising out of the provision of the following list to you.

See you at GSL-XXVI on April 27-30, 2017! This will be a great Championship!

Cordially,

GSL Trustees
